

OMNISPORT® HS-200 HORN/GUN AND PUBLIC ADDRESS SYSTEM

The OmniSport HS-200 horn start and public address system is a complete starting solution for aquatics and track. Features include a rechargeable battery that will last for more than 15 hours on a full charge. The recall feature can be enabled or disabled depending on the officials' preference. The HS-200 can be programmed to sound a typical start tone or emulate a gun sound.

PRODUCT SPECIFICATIONS

DIMENSIONS: Height 12", Width 8", Depth 14" (305 mm, 203 mm, 356 mm)

WEIGHT: 14 lb (6.4 kg)

POWER: 120 V, or rechargeable battery (15 hour life on full charge)
