

Omnisport® 2000

OMNISPORT® 2000 PRODUCT SPECIFICATIONS

This fully functional timer has multisport capabilities and communicates with the HyTek® MEET MANAGER system. Three back-lit LCD screens indicate current race information, lane status and completed lengths for up to ten lanes. For increased capabilities and user friendly access, the OmniSport 2000® timer can interface to a laptop and is capable of scoring swimming, diving, track and water polo.

PRODUCT SPECIFICATIONS

PRODUCT SAFETY

APPROVAL: ETL listed to UL Standards and CSA Standards
CE certified

DIMENSIONS: Height 4.3", Width 20.5", Depth 9" (112 mm, 521mm, 231 mm)

WEIGHT: 14 lb (6 kg)

POWER: 50 W maximum, 120 V AC

CONSTRUCTION: Housed in a rugged anodized aluminum case, the console face is water-resistant due to a sealed membrane keyboard.

DISPLAYS: Three 32-character liquid crystal displays communicate lane status, current race information and verify entries.

PRINTER: Built-in high resolution compact thermal printer gives you result printouts in less than ten seconds. The printer uses paper that is available at your local office supply store. An ink cartridge is not required.
